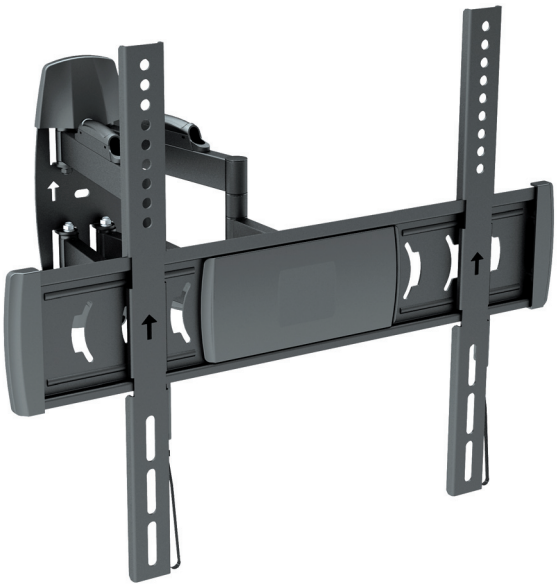
M420-42 Black



Item Description:

Thanks to its two solid arms, the ZIGNUM M420-42 bracket can be angled to the left or right by up to 60°. In addition, the TV (LED/plasma/LCD) can be pushed back against the wall and tilted up or down by up to +/-12°. Despite this high level of flexibility, even large devices with a screen size of up to 60" (152cm) can still be mounted safely, as a result of the unit's extremely stable construction.

Features:

- Full Motion TV Wall Mount
- Fits most 23"-60" TV flat panels
- Fast and easy installation
- Tilt, swivel for flexible viewing
- Includes all necessary wall mounting and screen attachment hardware
